

Press Release**Hizb ut Tahrir Wilayah Pakistan Delivers Its Strong Condemnation to Bangladeshi Authority****Our Honorable Sisters, Advocates of Khilafah, Must be Released Immediately**

Hizb ut Tahrir Wilayah of Pakistan hand delivered a strong statement of condemnation from the Central Media Office of Hizb ut Tahrir to the Bangladeshi regime through its High Commission in Islamabad, Pakistan's capital. This press release was delivered in Arabic, Bengali, Urdu and in English languages. On Sunday, 30 August 2015, the shameless Detective Branch (DB) of the Bengali regime arrested two women. During the remand period, these pure Muslim women were beaten severely. One of the sisters was beaten to the point that she bled from different parts of her body and became unconscious. Instead of giving relief to these sisters from this brutality, on Friday 4 September, the judge acted as an arm of the regime's oppression rather than a champion of justice and mercilessly sent them to jail.

This delivery by Hizb ut Tahrir Wilayah the Pakistan is just a part of Hizb ut Tahrir's worldwide campaign condemning Hasina Wajid's brutality against these two innocent women, whose so called crime was calling for a Khilafah, which is an Islamic obligation and the practical methodology for providing unity and security for the Muslim Lands. In its [press release](#) from the Central Media of Office of Hizb ut Tahrir, it is said, *"Indeed, this is a deceitful regime whose members utter empty slogans of the need for 'women's empowerment' and yet imprison women who engage in the true politics of opposing oppression and calling for an Islamic system that would sincerely take care of the needs of the people. Hasina's tyrant regime is an utterly inept regime that implements a defunct secular system under which today no man, woman, or child feels safe, and which has failed to bring countless murderers and rapists to justice, yet it fills its prisons with innocent Muslims whose only crime is their obedience to Allah (swt)."*

In this press release it further said, *"O Hasina! If you think that imprisoning the dawah carriers of Islam will extend your oppressive secular rule, you are deluded! Your downfall Bi'ithnillah is inevitable and imminent....Do you think that detaining these devout Muslimahs will instill fear in the hearts of the female dawah carriers of Hizb ut Tahrir and deter us from struggling to achieve our noble goal? No! Rather, it invigorates our determination to see the decline of dictators such as you and the birth of a state that will be a guardian to our needs and to our Deen"*.

This press release demanded, *"We demand that you release our sisters immediately as well as all the innocent Muslims held in your dungeons.... And we say to all those who dare to oppress the sincere believers, take heed, the end of your rule is fast approaching!!!"*
