Gaza Is Reaping the Bitter Harvest of the Security Council and the Peace Council Decision

(Translated)

A few days after the Security Council's decision, the people of Gaza began to reap its price; in less than 24 hours, 34 martyrs—most of them children and women—had ascended as of this Thursday morning, 20/11/2025, in addition to dozens of wounded under the weight of starvation and in the claws of cold. These pure bloods were the true meaning of the decision that granted America guardianship and mandate over the Gaza Strip, allowing it to cut off heads as it wished. It is the decision that turned a blind eye to the blood, wealth, and lands of the people of Palestine in the West Bank and unleashed the hand of the Jews to plunge into our blood, which extended beyond Gaza to Ain al-Hilweh Camp in Lebanon. Even the criminal president of the Jewish entity steps on the land of al-Sham as if it were his own land, as if the rulers in Turkey, Pakistan, Indonesia, Saudi Arabia, Qatar, Egypt, Jordan, and the UAE—with their joint statement in which they supported the Security Council's decision before it was issued—had unleashed the Jews to do whatever they wished in all lands, granted Gaza to Trump, and offered its people as sacrifices at the threshold of the Black House.

The Ummah used to become angry when it saw blood flowing in Gaza, with its people consumed by starvation and strangled by siege. As for the criminal rulers, their tongues condemn, while their hands are in the hands of the criminal entity in its aggression against Gaza, hiding behind denunciation, condemnation, and objection. But the siege exposes them, betrayal unmasks them, and supplying the entity with weapons and equipment condemns them.

The rulers have revealed their faces stained with treachery and announced their enmity toward Islam and Muslims by enabling America and the Jews over the weapons of Gaza's mujahideen and the blood of its people, and by delivering them to American guardianship. Is it permissible after all this criminality to remain silent?! Is not silence a form of approval of their crimes?!

The movement of the Ummah and its soldiers is an obligation before killing becomes rampant in Gaza, indeed, it was an obligation the day the British set their filthy feet on this Blessed Land more than a century ago. Every drop of blood spilled in Palestine was due to the delay of the Ummah and its soldiers from moving toward it. And every day that the Ummah and its soldiers do not move translates into blood, hunger, and oppression for the people of Palestine.

Now that the matter has reached the limits of overflowing and the rulers have sold Gaza, its people, all of Palestine, and its sanctities selling of concession then the anger of the Ummah must double until it becomes like a volcano that fills the chests and then erupts, burning all plots, melting all decisions and guardianships, and sweeping away the thrones of regimes whose enmity toward the people of Palestine and the believers is manifest an anger that is not extinguished except by the prayer of liberation in Masjid al-Aqsa and prostration to Allah in gratitude that Masjid al-Aqsa has returned as it used to be, shaded by Islam and its soldiers.

Until that day comes, the sin of abandonment and the sin of the rulers will not be absolved from anyone except every sincere one who works to move the Ummah and its soldiers; for the pure blood, the frightened souls fearing to be snatched away, and Masjid al-Aqsa—the place of the Messenger of Allah (saw)'s night journey, all of those stand before Allah arguing against the Ummah until they take their full rights without decrease. **﴿أَفَلَمْ يَسِيرُوا فِي الْأَرْضِ فَيَنْظُرُوا كَيْفَ كَانَ عَاقِبَةُ الَّذِينَ مِن قَبْلِهِمْ دَمَّرَ اللَّهُ عَلَيْهِمُ الْمُكَافِرِينَ أََمْثَلُهَا * ذَلِكَ بِأَنَّ اللَّهَ**
﴿أَفَلَمْ يَسِيرُوا فِي الْأَرْضِ فَيَنْظُرُوا كَيْفَ كَانَ عَاقِبَةُ الَّذِينَ مِن قَبْلِهِمْ دَمَّرَ اللَّهُ عَلَيْهِمُ الْمُكَافِرِينَ وَأَنَّ الْكَافِرِينَ لَا مَوْلَىٰ لَهُمْ﴾
“Have they not traveled through the land so they may observe how was the end of those before them? Allah destroyed them, and for the disbelievers are similar fates. * That is because Allah is the ally of those who believe, and the disbelievers have no ally.” [Surah Muhammad:10–11].
